

COMPETITIVE OBEDIENCE SEMINAR

Susan Nemedi along with Laura Enders will be offering a seminar on her training methods on Saturday, June 4, 2022 at the ECHO building at 457 Post Rd Buchanan, MI. The seminar will run from 10-12; the cost is \$25. After a lunch break Sue and Laura will offer 15 minute private consultation for \$20 each. **The 15 minute sessions must be scheduled in advance and you will pay Sue or Laura directly. For more information or to register for the seminar, email Ellen at obedience@echodogclub.org.**

Sue and Laura are not Pure Positive trainers. Corrections are not abusive or unfair to the dog. The correction is taught before it is implemented in training. All of Ms. Nemedi's dogs have earned AKC OTCh points with one dog earning both AKC and UKC OTCh titles. She keeps up on new dog training techniques, new ways to bring out the best in dogs and new ways to solve training problems.

Sue and Laura want every team to be successful.
